That the next summit be held in South Africa during the FIFA world cup 2010 and mesh it around a Rastafari celebration (coordination should be made globally to set up a Rastafari soccer team, in order to have a friendly match with the South African soccer team with FIFA endorsing the match).

That 2012 summit, be staged in Ethiopia. Moreover, that every April 21, July 23, Nov. 2 (Universal Family Day) be the official dates for the secretariat fund raising activities worldwide. In this manner the secretariat now can set a 5 years plan of actions around the calendar of Rastafari celebrations.

In addition, the officers' term should be 5 years in accordance to meet the 5 years plan of actions of the secretariat. At the end of the 5 years term a full assessment can be made and use it to guide the nation in electing officers' and make adjustments to InI working portfolio.

InI hope that this draft proposal serve to excite the momentum process into 2<sup>nd</sup> gear and provide the energies needed for the next shift in InI developmental process. Kindly assist InI in these glorious endeavors.
